Hiland Preschool Fundraising Fee

_____ / _____
Child's Name Class

Hiland Preschool does require each family to pay a one time $20 fundraising fee that is due with your October 1st tuition payment.

Hiland Preschool Board sponsors two fundraisers during the school year. A Fall/Winter Children's Clothing Consignment Sale is held in September and a Spring/Summer Children's Clothing Consignment Sale is held in March or April. These sales are held on a Saturday and involve the resale of children's clothing (sizes NB – 12), baby equipment and toys.

Hiland Preschool parents are encouraged to participate either as vendors, volunteers or shoppers. We need many parent volunteers to make the fundraisers successful. These are the only fundraisers that Hiland Preschool does and they represent a significant source of income for the preschool. The money raised allows us to make room improvements as well as purchase large equipment, without having to significantly raise tuition.

In order to ensure adequate help to run our consignment sales we do ask each family to either be a vendor or volunteer to help for a two hour shift during set-up or the sale itself. Volunteering is not mandatory, but as a little incentive, if you are a vendor or volunteer to work a two hour shift for either our Fall/Winter Consignment Sale or Spring/Summer Consignment Sale then your $20 Fundraising Fee that you paid with your October 1st payment will be refunded to you by deducting it from your April 1st tuition payment. (This fee is not required of our Mommy & Me Class families unless a sibling is enrolled in our 3 or 4 year-old Preschool Class.)
